TESTIMONIAL

The Most Perfect Experience

"The Lord Bagenal is hands down one of the best venues for weddings. Sue was so helpful throughout the whole entire planning of the day from the time we arrived to the end of the night every little detail was taken into consideration.

The day of the wedding was run by Niall who made everything run so smoothly! He was so accommodating and couldn't have done enough to make sure our day was perfect! All the staff in The Bagenal were also amazing and so friendly! No request was an issue to them and the top table was looked after so well by Connie and her team! The food was beautiful and it is great value for money, our guests have not stopped talking about how lovely the food was and how amazing The Bagenal was also! If your looking for a venue that is set in a beautiful, area, has fabulous food at great value, friendly staff you cannot go wrong with The Lord Bagenal. They just do weddings fantastically!!!"
